Fence Maintenance (T. Dickey)

Tom is still working with the City on the Greenspace Agreement (landscaping agreement) and fence maintenance. The City has not provided any update on the Agreement or the insurance requirements. When the fence issues are sorted out with the City, Tom will develop a maintenance plan budget so that the fences the SRA are responsible for can be consistently maintained year over year. Until then, no money will be spent on the fences.

A vehicular accident occurred which resulted in damage to the fence at the entrance to the Villas on Wentworth Drive. The police were contacted by the Villas Condo Board. Tom will be contacting our insurance company, and working with the condo board at the Villas to resolve this, including getting quotes for repairs.

Landscaping (T. Dickey)

It was decided to renew our optional 3RD year landscaping contract with Foothills Landscaping at the same annual cost as the first two years.

MOTION : Renew the landscaping contract with Foothills Landscaping for 2021.

The City is reviewing all the information from the tours with Tom. SRA will continue to progress towards a Greenspace Agreement (landscaping agreement) with the City.

Archiving (S. Nordin)

Shelley has investigated a program to perform email backup, and has tried and tested the system, finding it worked well. The Board will discuss further what needs to be archived, and then proceed to setup backups for emails and historical documents/correspondence.
